

'Bridge-the-Gap' Workshop

Highlights

- Reinforce important scientific concepts, terms and phrases for challenging P3-P5 topics
- Hone answering techniques in open-ended section using Vitamindz™ unique patterns and templates
- Expose students to more 'trending' questions prevalent in SA2 papers across schools

Outline

This 6-hour workshop allows students to further hone and sharpen unique answering techniques learnt to ace their examination.

About Vitamindz™ Education

The learning of Science begins with Vitamindz™ Education. With our unique Vitamindz™ 'Eye' framework based on years of studies and research, we deliver to your child the highest standards in the teaching and learning of science using our proven techniques and approaches.

Given our wealth of experience in the arena of primary science education and the high success rate in quality passes of our students in PSLE science, parents can entrust their children with our MOE award-winning teachers.
