

# 'Level-Up for PSLE Science' Workshop

## 5-Day Workshop:

22 - 26 Nov 2021

(Mon - Fri)

Schedule:

(A) 9.00am - 11.00am

(B) 1.00pm - 3.00pm

29 Nov - 3 Dec 2021

(Mon - Thu)

Schedule:

(A) 9.00am - 11.00am

(B) 1.00pm - 3.00pm

## Highlights

- Emphasis on the use of 'Science language'
- Hone answering techniques
- Expose to PSLE-style questions

## Outline

A holiday programme to kickstart your child in his/her preparation for PSLE Science. The following P3/P4 topics will be covered in this 5-day module: MAGNETS, MATTER, HEAT and LIGHT.

These are topics from the 'Lower Block' Series that pose one of the greatest challenges for students in PSLE.

## Aim

- Enhance students' mastery of science and hone their answering techniques so as to help them tackle concept-testing questions and questions requiring thinking skills, now prevalent in PSLE Science papers
- Develop in students the ability to LINK science to everyday life

## About Vitamindz™ Education

The learning of Science begins with Vitamindz™ Education. With our unique Vitamindz™ 'Eye' framework based on years of studies and research, we deliver to your child the highest standards in the teaching and learning of science using our proven techniques and approaches.

Given our wealth of experience in the arena of primary science education and the high success rate in quality passes of our students in PSLE science, parents can entrust their children with our MOE award-winning teachers.
