

# 'Stay-On-Track' Workshop

## Highlights

- Revisit the core concepts of challenging topics in P3 to P5 through the use of Vitamindz™ 'C.U.P.-to-Success' series and 'Make-It-Right' series
- Get more exposure to PSLE-style questions
- Learn and hone Vitamindz™ unique approaches and techniques to answer open-ended questions

## Outline

Do you know that more than 70% of the questions in the PSLE Science paper are based on topics covered in P3 to P5?  
Is your child prepared enough?

## About Vitamindz™ Education

The learning of Science begins with Vitamindz™ Education. With our unique Vitamindz™ 'Eye' framework based on years of studies and research, we deliver to your child the highest standards in the teaching and learning of science using our proven techniques and approaches.

Given our wealth of experience in the arena of primary science education and the high success rate in quality passes of our students in PSLE science, parents can entrust their children with our MOE award-winning teachers.
